BUILDING THE FUTURE OF EUROPE THROUGH CULTURAL HERITAGE

In this project we focus on...

... triggering students' interest in mythology
[computer game]

... enhancing teaching by using mythology as the canvas
[lesson plans]

... exploring mythology's influence on modern cultures and languages
[mythological expressions activity]

... sharing the local mythology with the wider community
[mythological guided tour]

... providing students with experiences for life
[students travelling abroad and staying with host families]
